

Poster Review Form for ATM S 212 Winter 2011

Date_____

Reviewer's Name_____

Poster author(s)_____

Approximate title_____

You will be responsible for reviewing 6 posters over the 5-day period. In order to complete this form, you must have a dialogue with the author. Typical questions are:

"Tell me about your project."

"What is the most significant thing you learned?"

"What are the outstanding issues?"

"What would you like to learn next?"

Please rank (circle) each category from 1 (worst) to 5 (best), and at the bottom of the page describe what you've learned.

Poster organization and presentation: 1 2 3 4 5

Was the material presented in logical form that was easy to follow? If relevant, did the author include visual (such as pictures) material to aid the presentation? Did the poster capture your attention?

Content/Research: 1 2 3 4 5

Did the author present the goals/objectives and conclusions of his/her project? Was the author able to synthesize the research into viable conclusions? Do the research findings justify the conclusions?

Author presentation: 1 2 3 4 5

Did the author seem fairly knowledgeable about his/her topic? Was the author able to communicate his/her findings to you?

How much did you learn? 1 2 3 4 5

Briefly describe what you learned from the poster in 1-3 sentences.

Do you have other comments?
